During the meeting NTCA and NRTA distributed the attached documents outlining their positions on the reclassification of broadband as an “information” service. In addition, NTCA and NRTA discussed their opposition to current connection-based USF contribution proposals.

In accordance with the Commission’s rules, an original and two copies of this letter are being filed with the Secretary’s Office. If you have any questions, please do not hesitate to contact Marie Guillory at 703-351-2021, Margot Humphrey at 202 457-5915, or Jill Canfield at 703-351-2020.
